CUSTOMER CARE

Taking care of your customers is how you will maintain your customer base for years to come.

5 STEPS FOR GREAT CUSTOMER CARE:

1. Fill out a Customer Profile Form on each customer - see form on Boards
There is a customer care Board for many great ideas.
2. Put reminder dates on your calendar so you remember to follow-up (Day 1, 7, 14, 21, 30, 60, 90)
3. Ask your customer how they would like you to follow up. Phone calls, Text Messages, etc...
4. Keep good communication and check in before their product ships again so you will know if they are ready. The number one reason people cancel is because they got a shipment they weren't expecting.
5. Add your customers to your customer Facebook Groups so they can get ongoing education.

HOW TO POST ON SOCIAL MEDIA

Be Real and Authentic

People follow your social media because they like you!

- Post pictures of yourself and your family.
- Post about your struggles as well as your successes.
- Connect with others and interact with them.

Create Curiosity

We want to persuade customers to want to learn more about Juice Plus+

- Do NOT say "I am selling Juice Plus+. Who wants to buy it." People will block you.
- Do drip feed information or use teasers to get people to interact.

Post Consistently

The best way to gain a following is to post consistently.

- Post on all social media platforms.
- Post about multiple aspects of your life. What you like to do for fun, exercise, family, etc...
- Post about Juice Plus+/Wellness weekly on your wall. Use appealing images.
- Post about Juice Plus+ on your "stories" daily!

DO NOT MAKE HEALTH OR INCOME CLAIMS ON SOCIAL MEDIA

WHERE CAN YOU LEARN MORE ABOUT POSTING ON SOCIAL MEDIA?

"Give me 100 names, 24 months and \$52/year and I can help you be successful."

Curt Beavers

Creating a List will help you as you are having conversations, inviting to events and thinking of who else you want to share Juice Plus+ with.

Start with 20 of your closest family and friends and add to it as you think of people in your life such as church groups, those you do business with, people you went to school with, kids friend's parents, co-workers, those that are sick, anyone into fitness, neighbors... Then go through the contacts on your phone and social media.

FREQUENTLY ASKED QUESTIONS ABOUT JUICE PLUS+

1.

Is it expensive?

I've found if people can't afford to stay healthy, they really can't afford to be sick. It's amazing how doctor's visits and medications can add up. At less than \$3.00/day, Juice Plus+ is less than a cup of coffee.

2.

Why can't I buy it a month at a time?

Poor health doesn't happen overnight, the same applies to good health. The 4 month commitment will give you a reasonable amount of time to fully recognize the benefits of eating Juice Plus+.

3.

Why do I need Juice Plus+ if I already take vitamins?

Juice Plus+ is very, very different from vitamins. It's whole food based, so you are getting the benefit of thousands of plant nutrients that are not present in multivitamins.

4.

I already eat lots of Fruits and Vegetables

That is great! I strive to eat half my plate of fruits and veggies at each meal too, but like most people I find that to don't on a daily basis. And I definitely don't eat the variety I should. I see JP+ as an insurance policy that complements my diet every day.

5.

Is JP+ a substitute for eating Fruits and Vegetables?

No! Everyone should try and eat as many servings of fruits and veggies as they can, every day, as recommended by nutrition professionals. Juice Plus+ complements your diet and helps you "bridge the gap" between what you should eat and what you actually eat every day.
